

Nylon Coated Steel Measuring Tapes

STILON REEL

SUPERIOR DURABILITY DUE TO TOUGH TAPE EDGE
RUSTPROOF TAPE EVEN AGAINST SEAWATER
PRACTICALLY UNBREAKABLE.

FEATURES:

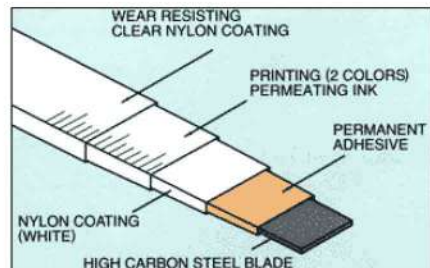

- Steel core completely enveloped with protective thick white Nylon...tough, durable and non-rust even against seawater.
- STILON's sturdy tape edges make the blade life remarkably long.
- Unbreakable when bending to an acute angle and person steps on the tape and even if it is run over by truck.
- The tape is not separated into two pieces unlike the breakage of ordinary steel tapes.

STILON REEL
Steel tape coated with protective white nylon in ABS Open Reel.
